Sunday School Grade 10

A.G.A.P.E. Curriculum

- Inclusion is an important aspect of the social and learning paradigm of individuals with special needs.
- Stewards serving children and youth with special needs should try to integrate the students in the mainstream classes for as much time as can be tolerated by the student with special needs.
- Integration and inclusion foster friendships among the same age peer group.

Preparation for The Book of Job (I)

Lessons for the Month of October

- **Lesson Outline: Week 2**

- The whole book talks about God’s care of just one person, Job. God can do nothing but good, even if He “permits” evil to occur for a temporary time.
- God allowed Job to be tempted to the fullest. Job lost everything, even his health. God always gives the medicine with the disease.
- At the end, after Job waited for God, He came through and restored him.
- Satan judged that Job is unrighteous, though God witnessed otherwise. We sometimes do the same. We Judge without knowing the whole story.
- Job’s friends tempted him. Job’s temptation was great because he lost everything.
- It is easier for us to deal with the loss if we understand that we own nothing in this world. We are comforted in that the dead are not dead, but have departed.
