Sunday School Grade 11

A.G.A.P.E. Curriculum

- The AGAPE curriculum is for exceptional student education [ESE] for Sunday School. It is designed by the Coptic Orthodox Diocese of the Southern United States.
- This is a modified curriculum designed for individuals with special needs.
- This curriculum is intended to be taught alongside with the general Sunday School program for each grade.

Sunday School Grade 11

A.G.A.P.E. Curriculum

- Inclusion is an important aspect of the social and learning paradigm of individuals with special needs.
- Stewards serving children and youth with special needs should try to integrate the students in the mainstream classes for as much time as can be tolerated by the student with special needs.
- Integration and inclusion foster friendships among the same age peer group.

Preparation for New Forms of Addiction: Internet, E-mail, Chat Rooms Lessons for the Month of July

- **Lesson Outline: Week 4**

- The advantage of the internet is it helps in finding resources quickly.
- The disadvantage is it can expose us to ungodly sites and images.
- Email and chats are a quick way for communications.
- The disadvantage is it decreases the need for person to person interaction.
- Signs of addiction is the excessive use of these devises. Everyday use increases.
- The solution is start with God and prayer. God will guide you. Then give yourself a time limit. Spend more time with family.
