- Stewards serving children and youth with special needs should try to integrate the students in the mainstream classes for as much time as can be tolerated by the student with special needs.

Preparation for Man from a Christian Prospective

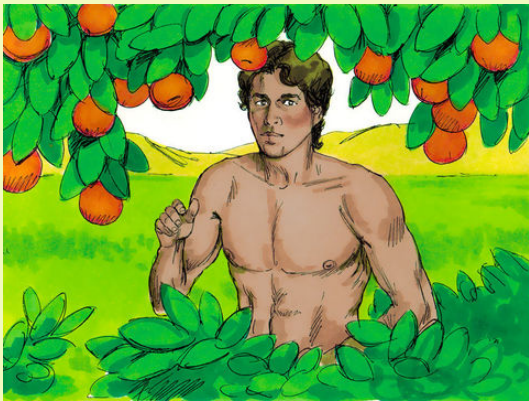

Lessons for the Month of November

- **Lesson Outline: Week 3**

- “In the image of God” man was created so that he is able to see God Who lives within his heart.
- Since man is made in the image of God, then his soul is immortal. God “breathed into his nostrils the breath of life”.
- He made male and female. The relationship that tied Adam and Eve, being of one body, became ours.
- Through Jesus and the mystery of the Holy Spirit which made the two become one, man and wife.
- God gave us freedom and will. Adam’s fall proceeded from his own free will. He started to fear God, who loved him.
- Man’s salvation takes place through incarnation. God united Himself with man so that His life might flow into man and consequently be granted to him.
