# **Sunday School Grade 6 A.G.A.P.E. Curriculum**

- The AGAPE curriculum is for exceptional student education [ESE] for Sunday School. It is designed by the Coptic Orthodox Diocese of the Southern United States.
- This is a modified curriculum designed for individuals with special needs.
- This curriculum is intended to be taught alongside with the general Sunday School program for each grade.

# **Sunday School Grade 6**

## **A.G.A.P.E. Curriculum**

- Inclusion is an important aspect of the social and learning paradigm of individuals with special needs.
- Stewards serving children and youth with special needs should try to integrate the students in the mainstream classes for as much time as can be tolerated by the student with special needs.
- Integration and inclusion foster friendships among the same age peer group.

# Preparation for Receiving Holy Communion

## Lessons for Filler Lessons

- **Lesson Outline: # 5**

- The Lord Jesus established this Holy Sacrament for us at the last supper.
- This Sacrament is necessary for our Salvation. It is given for the remission of our sins.
- The bread and wine, after sanctification, turn to the Lord Body and Blood.
- We should be prepared before we receive communion.
- We should confess and repent. We should be fasting from the night before.
- We should wash our bodies. We should wear clean cloths. We should pray with faith.
